Descripción

Description

- Extremely compact but powerful LED moving wash, perfect for use in clubs and discotheques but also for exhibition booths and small rental applications.
- Based on 3pcs 10W 3RGBW LEDs for high light output and perfect color mixing.
- A lot of different ways to fully operate this unit:
 - Full DMX-control: 9ch (basic) or 16ch (advanced)
 - Standalone or master/slave: wonderful synchronized shows with internal mic.
 - DMX-master/slave: thanks to this revolutionary new feature several BT-30FC units, working in master/slave, can still be controlled by 1 or 4 DMX-channels! (even while connected in a DMX chain, optional mini DMX splitter required)
- Optional remote controllers available: wired CA8
- Smooth but extremely fast 540° panning and 270° tilt movements

- Extremely fast strobe function
- Beam angle: 25°
- Low heat and very low power consumption
- IEC in and out connector
- Built-in menus with 4digit LED display
- Compact and stylish enclosure.
